

Prospectus 2027–28

# Kharagpur Vision Academy

Inspire. Empower. Transform. Achieve.

An English-medium, co-educational CBSE school for Nursery to Class XII, on the Mumbai–Kolkata Highway in Kharagpur.

# Welcome to Kharagpur Vision Academy

Founded in 2017, we are an English-medium, co-educational CBSE school on the Mumbai–Kolkata Highway at Sadatpur, Kharagpur. Children can join us in Nursery and stay until they finish Class XII.

Good marks matter to us, and so does the kind of person a child grows into. Alongside lessons we make time for questions, projects, sport, music and art.

Every child learns in their own way. Our teachers get to know each one, and we keep parents closely involved, because children do best when home and school pull in the same direction.

# A word from our leaders

*"Our journey began with a vision to create an educational institution that not only imparts knowledge but also shapes character, nurtures talent, and builds future leaders."*

We have consistently worked towards creating an educational ecosystem that prepares students not just for examinations, but for life itself.

Mrs. Nilima Begam

**Chairperson**

---

Mr. Siddharth Sircar

**Director**

*"We aim to shape individuals who are not just successful in their careers but are also responsible citizens, innovative thinkers, and compassionate leaders."*

Mr. Saptarshi Chakraborty

**Principal**

*"We strive to create an environment where every student feels valued, supported, and encouraged to explore their full potential."*

Mr. SK MD Ajiz

**Secretary**

*"We welcome your feedback and suggestions as we continue to enhance our services and support systems."*

# What we believe

> *"To be a premier educational institution that nurtures excellence, fosters innovation, and shapes compassionate, capable leaders who will make positive contributions to society and the world."*
>
> Our vision

## Inspire

Curiosity and a love of learning.

## Empower

Knowledge, skills and the confidence to use them.

## Transform

Steady growth, in learning and in character.

## Achieve

Every student reaching their best.

## What this means day to day

**More than marks**
Character, sport and well-being count, not only exam results.

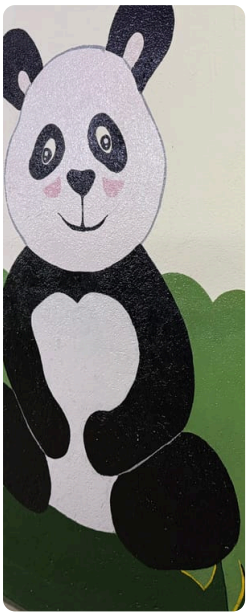

**Attention to each child**
Teachers notice how each child learns and help them in the way that suits them.

**Experienced teachers**
Teachers who have taught for years and care how every student does.

**Room to learn and play**
Labs, a library, smart classrooms and a large playground.

# Learning from Nursery to Class XII

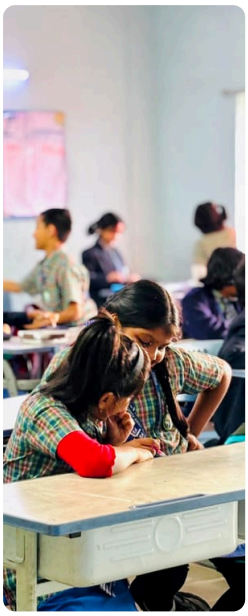

We follow the CBSE curriculum. Lessons use smart boards and digital resources, hands-on activities and projects, and regular tests with feedback, so children and parents know how things are going.

## Pre-primary

**Nursery, LKG and UKG**

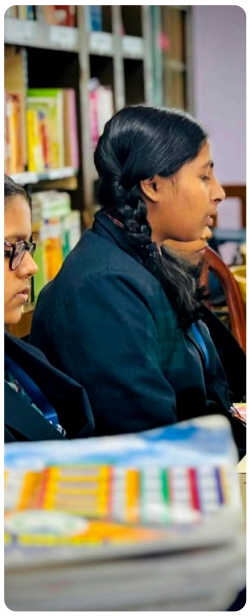

- Learning through play
- Letters and numbers
- Making friends and settling in

## Primary

**Classes I to V**

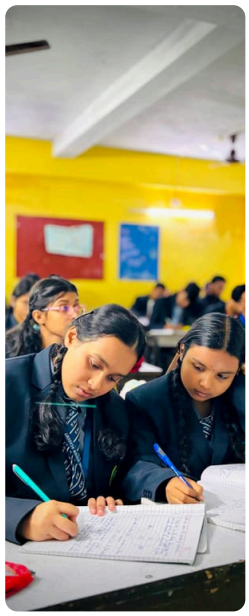

- Strong basics in every subject
- Learning by doing
- Reading and first computer skills

## Middle school

**Classes VI to VIII**

- Deeper study of each subject
- Projects
- Experiments and asking why

## Secondary

**Classes IX and X**

- Preparing for the board exams
- Practical work in the labs
- Career counselling

## Senior secondary

**Classes XI and XII**

- Science, Commerce or Arts
- Career guidance
- Preparing for university entrance

**Everyone takes**

English Core, Accountancy, Business Studies, Economics

**Choose from**

Mathematics

### Arts

**Everyone takes**

English Core

**Choose from**

History, Geography, Political Science, Economics, Mathematics

**Open to every stream:** Hindi Core, Bengali, Computer Science, Information Technology, Artificial Intelligence, Physical Education

# Our teachers

Our teachers work with every child to find and build on what they are good at, and to help with whatever they find hard.

A lesson at the board

An experiment in the physics lab

A model of the Aditya-L1 solar mission

## People who look after your child

| | |
|---|---|
| **Special educator** | Extra help with learning |
| **Wellness teacher** | Emotional well-being |
| **School doctor** | A medical room for emergency care |
| **Librarian** | Books, reading rooms and the digital library |
| **Sports coaches** | Games, fitness and competitions |

## Help along the way

- Career counselling
- Support for mental health
- Extra learning support
- Regular contact with parents

*"We understand that each child is unique, with their own talents and aspirations."*

**Mr. Saptarshi Chakraborty, Principal**

# The campus

Our building on the Mumbai–Kolkata Highway is easy to spot by its coloured stripes. Inside are classrooms with smart boards, science and computer labs, a library, activity rooms and a cafeteria. Outside there is a large playground.

The main building from the playground

The computer lab

The chemistry lab

Friends in the library

The biology lab

The welcome wall of the pre-primary section

## Around the school

- A smart board in every classroom
- Spacious corridors
- Activity rooms
- A clean cafeteria
- A medical room

## Labs and library

- Physics, chemistry, biology and computer labs
- A language lab
- A robotics and innovation lab
- A library with reading rooms and a digital library

## For the youngest

- A pre-primary section of their own, with painted walls
- A play area with slides

# Sport, arts and robotics

Basketball on the school court

Students making a rangoli

A robotics project in the innovation lab

## Sport

There is a large playground with basketball and volleyball courts and table tennis. Students get professional coaching and take part in regular sports events and competitions.

## Arts and culture

Music, dance, drama, and art and craft are part of school life. Students perform at Expressions, our annual cultural festival, and the year also has Annual Day and Sports Day.

## Robotics and coding

Students build robots, write code and work on their own projects in the robotics and innovation lab.

### School buses

Our buses run on fixed routes with experienced, trained drivers, and are maintained and safety-checked regularly. The fare depends on your pickup point.

**Fares for every pickup point**

**kvaschool.edu.in/bus-fee-chart**

Social science project, 2024–25

# How to apply

There are four steps. Admission depends on seats being available in the class.

## 1

### Apply online

Fill in the form at kvaschool.edu.in/apply and pay the application fee online by UPI, card or net banking.

## 2

### Submit documents

Hand in the documents listed on this page. We check the originals at verification.

## 3

### Meet us

From Class I, children take an assessment suited to their class. For Nursery to UKG we have an informal chat with the child and parents.

## 4

### Pay and join

If your child is selected, pay the admission fees to confirm the place.

## Age for admission

| | | | | |
|---|---|---|---|---|
| Nursery 3+ | LKG 4+ | UKG 5+ | Class I 6+ | Class II 7+ |
| Class III 8+ | Class IV 9+ | Class V 10+ | Class VI 11+ | Class VII 12+ |
| Class VIII 13+ | Class IX 14+ | Class X 15+ | Class XI 16+ | Class XII 17+ |

Minimum age in years, as on 1 April of the academic year.

## Documents

- Birth certificate
- Aadhaar card
- Transfer certificate (Class II and above)
- Previous mark sheets
